Independent Auditor's Certificate on the Statement of book debt receivable pursuant to Regulation 15(1)(t)(i)(a) of SEBI (Debenture Trustees) Regulations, 1993 read with Clause 3.1(a) of SEBI circular dated 19 May 2022

1. The accompanying statement containing details of book debt receivable offered as security against listed debt securities of the Company outstanding as at 31 December 2022 (hereinafter referred to as 'the Statement') has been prepared by the Company's management for the purpose of submission of the Statement along with this certificate to the Debenture Trustees of the Company pursuant to the requirements of Regulation 15(1)(t)(i)(a) of SEBI (Debenture Trustees) Regulations, 1993 (as amended) ('Debenture Trustees Regulations') read with Clause 3.1(a) of SEBI circular SEBI/HO/MIRSD/MIRSD_CRADTI/CIR/P/2022/67 dated 19 May 2022 (collectively referred to as 'the Regulations'). We have initialled the Statement for identification purposes only.

Management's Responsibility

2. The preparation of the Statement, including the preparation and maintenance of all accounting and other relevant supporting records and documents, is solely the responsibility of the management of the Company. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
3. The management is also responsible for ensuring the compliance with the requirements of the Regulations and the offer document/Information memorandum and/or debenture trust deed (collectively referred to as 'the offer documents') for the purpose of furnishing this Statement and for providing all relevant information to the Debenture Trustees.

Auditor's Responsibility

4. Pursuant to requirement of the Regulations, it is our responsibility to express limited assurance in the form of a conclusion as to whether anything has come to our attention that cause us believe that the details included in the accompanying Statement regarding book debt receivable offered as security against listed debt securities of the Company outstanding as at 31 December 2022 are, in all material respects, not in agreement with the unaudited standalone financial information of the Company, underlying books of account and other relevant records and documents maintained by the Company for the quarter ended 31 December 2022.
5. The unaudited standalone financial information, referred to in paragraph 4 above, have been reviewed by us, on which we have expressed an unmodified conclusion vide our report dated 14 February 2023. Our review of unaudited standalone financial information was conducted in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India ('the ICAI'). This Standard requires that we plan and perform the

review to obtain moderate assurance as to whether the financial information is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to the financial data and thus, provides less assurance than an audit. We have not performed an audit and accordingly, we did not express an audit opinion.

6. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ('the Guidance Note') issued by the ICAI. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements, issued by the ICAI.
8. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. The procedures selected depend on the auditor's judgment, including the assessment of the areas where a material misstatement of the subject matter information is likely to arise. We have performed the following procedures in relation to the accompanying Statement:

- a) Obtained the statement of total book-debts receivable as at 31 December 2022 and traced the book value of all the assets from the unaudited standalone financial information, underlying books of account and other relevant records and documents maintained by the Company for the period ended 31 December 2022;
- b) Obtained the list and value of assets offered as security against listed debt securities of the Company outstanding as at 31 December 2022;
- c) Verified the arithmetical accuracy of the Statement.
- d) Obtained necessary representations from the management of the Company.

Conclusion

9. Based on our examination and the procedures performed as per paragraph 8 above, evidences obtained, and the information and explanations given to us, along with the representations provided by the management, nothing has come to our attention that cause us to believe that the details included in the accompanying Statement regarding book values of the assets offered as security against listed debt securities of the Company outstanding as at 31 December 2022 are, in all material respects, not in agreement with the unaudited standalone financial information of the Company, underlying books of account and other relevant records and documents maintained by the Company for the quarter ended 31 December 2022.

11. The certificate is addressed to and provided to the Board of Directors of the Company solely for the purpose of enabling it to comply with the requirements of the Regulations, which inter alia, require it to submit this certificate along with the Statement to the Debenture Trustees, and therefore, this certificate should not be used, referred to or distributed for any other purpose or to any other party without our prior written consent.
